REPORT
of the
INSPECTOR OF LEGAL OFFICES
ONTARIO, 1959

Parliament Buildings,
Toronto, Ontario.

THE HONOURABLE A. KELSO ROBERTS, Q.C.,
Attorney General, Province of Ontario,
Parliament Buildings, Toronto.

SIR:

I have the honour to present to you my Report as Inspector of Legal Offices for the year ending December 31st, 1959.

Mr. A. A. Russell, Q.C. has been appointed Co-ordinator of Justice Administration and has taken over the administration of County and Magistrates' Courts, as well as Division Courts and the sittings and the case loads, which have to be dealt with from time to time throughout the judicial year.

Every year there are Crown Attorneys who change from the fee system to salaried officers and it is hoped that before long the great majority of Crown officers will be on a full time salaried basis. The revenues from this Branch continue to be sufficient to meet all the expenses.

Surrogate Court fees have increased approximately ten per cent, as have the fees from Law Stamps. The project of doing away with Law Stamps is still occupying considerable attention and it is felt now that we have a cash register which will perform the necessary functions required to take care of this change-over. These registers have been tried out in different offices and we are now assembling our data concerning the whole matter.

The business in the Registry and Land Titles offices has been spotty. Land Transfer tax, Province wide, is up over \$400,000.00, but in a good many of the large Registry and Land Titles' offices there has been a drop in fees. Generally speaking, Province wide, there would be a small increase on the year's business.

The Division Court revenue has climbed again, in spite of the fact that two years ago there was an increase in Division Court Clerks' and Bailiffs' percentages.

At the end of the year 1959 Honourable E. C. Drury, formerly Premier of Ontario and lately Sheriff, Local Registrar, S.C.O. and County Court Clerk of the County of Simcoe, retired after more than twenty-five years' service in those positions.

Many problems have confronted this Branch during the year, but with the help of an efficient staff, who have put forward their best efforts, I believe the public has been given considerate and good service and this is, of course, applicable to our outside offices.
